

## Here are some helpful things to know when registering!

Kindercamp- Ages 4-6 (4 year olds must turn 5 by October 1st 2025 to enroll)

Funcamp- Ages 7-10

1. We are only offering daily sessions this year vs weekly sessions. I understand that requires more clicking and selecting but this change allows for greater flexibility to adjust schedules without needing a director to make changes to your account. If you are private pay you will select “*Full day of kindercamp*” or “*Full day of Funcamp*”
2. If you utilize CCAP you will select the “*CCAP full day of Funcamp* or *CCAP full day of Kindercamp*” based on which camp you are registering for. If you are CCAP and you do **not** select the CCAP offerings, it will take you to the payment page and you will have to start all over. Funjoin still requires a card on file even if you are utilizing CCAP. Your card will not be charged for anything. All billing(registration fee and parent fee's) for CCAP families will be done through procare. A CCAP policy went into effect October 1st, 2024, stating that they are no longer paying for families' registration fees. This change in policy means that you will be responsible for the \$100 registration fee.
3. Once you schedule your days, it will assign you registration information to fill out based on what camp(s) your child is attending. Please get those turned in as soon as possible! You can find these under the “Your Profile” tab. Please fill out all *Documents and Smart Forms*. These must be completed before your child can attend camp.
- 4 .You will have until May 16th to edit your scheduled days, After that date, you are locked in to your schedule and are financially responsible for any days you registered for whether your child attends or not.
5. If your child has a medical condition that requires the use of inhalers, epi pens, AED's or other medical devices or medications. You must note that in the child's profile information. We will send additional forms for your doctor to fill out. The child cannot attend camp until these have been completed and uploaded on the site and approved by our nurse consultant.
