Helpful things to know!

1. If you want to sign up for the entire week, you will select the "full week" for Kiddercamp or Funcamp.

2. If you want to sign up for a more random schedule, you will select "full day" for Kiddercamp or Funcamp and it will let you choose which days of that week you'd like to sign up for.

3. If you utilize CCAP you will select the CCAP full week or full day option. If you are ccap and you do not select the ccap offerings, it will take you to the payment page and you will have to start all over.

4. If you are signing up for the Wednesday field trips for Funcamp- You have to add on the Big field trip surcharge pass for any days you are attending on Wednesdays at funcamp. This surcharge is just the extra \$10 for our more expensive field trips. If you utilize CCAP, you do not need to purchase this.

5. Once you schedule your days, it will assign you registration information to fill out based on what camp(s) your child is attending. Please get those turned in as soon as possible!

8. You will have until May 17th so edit your scheduled days, After that date, you are locked in to your schedule and are financially responsible for any days you registered for.

9. We will be adding the schedule for August 12th-14th at a later date and you will be notified when that opens up but there are still some things in the air that prevent us from being able to release it now!
